

SUPPLEMENTAL INFORMATION - 72-76 MHz OPERATIONAL FIXED STATIONS

The following information and statements are required by the Rules when applying for the assignment of frequencies in the 72-76 MHz band. If your application is returned with this form, it indicates that the application was incomplete regarding this required information.

1. Location of your proposed station: City, County, State	Latitude 0 . "	Longitude 0 . "
<hr/>		
2. Location of nearest TV Channel 4 transmitter: City, State Airline distance between Channel 4 transmitter and your proposed station: _____ km. If the distance from your proposed station to the nearest TV site in Item 2 is 128 km (80 miles) or less, complete Item 4 for Channel 4 (below).	3. Location of nearest TV Channel 5 transmitter: City, State Airline distance between Channel 5 transmitter and your proposed station: _____ km. If the distance from your proposed station to the nearest TV site in Item 3 is 128 km (80 miles) or less, complete Item 5 for Channel 5 (on the reverse of this page).	

4. Check (a) or check and complete (b) below for Channel 4.

(a) ☐ There are fewer than 100 family housing units (as defined by the U.S. Bureau of Census, see reverse of this page) located within a circle centered at the location of the proposed fixed station (family housing units 112 km (70 miles) or more distant from the TV antenna site are not counted) the radius of which was determined by use of the chart entitled, "Chart for Determining Radius from Fixed Station in 72-76 MHz Band to Interference Contour Along Which 10% of Service from Adjacent Channel Television Station Would be Destroyed".

(b) ☐ There are more than 100 family housing units (as defined by the U.S. Bureau of Census, see reverse of this page) located within a circle centered at the location of the proposed fixed station (family housing units 112 km (70 miles) or more distant from the TV antenna are not counted) the radius of which was determined by use of the Chart listed in Item 4(a) above. (Use separate sheets, if necessary, for (i), (ii), and (iii).)

(i) The proposed site is the only suitable location because:

(ii) It is not feasible to use other available frequencies because:

(iii) I will control any interference that might develop to TV reception from my operations according to the following plan:

I certify that radiated emissions will be vertically polarized, and that I am financially able and agree to make adjustments in the TV receivers affected as may be necessary to eliminate the interference caused by my operations.

We have estimated that each response to this collection of information will take on average thirty minutes. Our estimate includes the time to read instructions, look through existing records, gather and maintain required data, and actually complete and review the form or response. If you have any comments on this estimate, or on how we can improve the collection and reduce the burden it causes you, please write the Federal Communications Commission, AMD-PERF, Washington, DC 20554, Paperwork Reduction Project (3060-0132). We will also accept your comments via the Internet if you send them to jboley@fcc.gov. Please DO NOT SEND COMPLETED APPLICATION FORMS TO THIS ADDRESS.

You are not required to respond to a collection of information sponsored by the Federal government, and the government may not conduct or sponsor this collection unless it displays a currently valid OMB control number or if we fail to provide you with this notice. This collection has been assigned an OMB control number of 3060-0132.

The FCC is authorized under the Communications Act of 1934, as amended, to collect the personal information we request in this form. We will use the information you provide to determine whether approving this application is in the public interest. If we believe there may be a violation or potential violation of an FCC statute, regulation, rule or order, your application may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing or implementing the statute, rule, regulation or order. In certain cases, the information in your application may be disclosed to the Department of Justice or a court or adjudicative body when (a) the FCC; or (b) any employee of the FCC; or (c) the United States Government, is a party to a proceeding before the body or has an interest in the proceeding.

If you owe a past due debt to the federal government, the Taxpayer Identification Number (such as your Social Security Number) and other information you provide may also be disclosed to the Department of Treasury Financial Management Service, other federal agencies and/or your employer to offset your salary, IRS tax refund or other payments to collect that debt. The FCC may also provide this information to these agencies through the matching of computer records when authorized.
